

Control Stations - Stainless Steel

Pushbutton Enclosures with Mounting Flanges

- Designed to house pushbuttons in heavy duty industrial or harsh and demanding environments.
- Suitable for applications where an IP66 protection rating is required*
- Mounting flanges for ease of installation.
- Available with or without cut outs.
- Cut outs available as 22.5mm or 30.8mm.
- Up to 9 cut outs, dependent on enclosure size.
- Range of pushbuttons able to be fitted as part of the order.
- Earth stud included internally.
- Manufactured from 1.5mm 316 stainless steel with N4 surface finish.

CS13/SH30

*IP66 rating applies when fitted with appropriate IP rated pushbuttons or plug
