Inline Energy Meter

Smart PDUs

- PDU Energy Metering and Monitoring
- PDU level watt-hour energy metering (kWh)
- PDU level power measurements (W)
- Input phase level power measurements (V, A, VA, kWh, pf)
- Circuit breaker level current measurements
- High-accuracy, billing-grade metering capabilities
- Embedded memory log to record/view/report historical data
- User customisable alarm thresholds & notifications

An energy metering device to add metering and network monitoring of power loads to existing basic PDUs.
