

# Field Cabinet Thermostat

Temperature range: 10°C to 60°C  
 Operating voltage: AC 230 V, 50/60 Hz  
 Contact: SPDT  
 Switching current: Heat 10 (4) A  
                           Cool 5 (2) A  
 Switching differential: approx 0.5 K  
 Housing protection: IP30/ isolated

Includes bracket for mounting to rail.
