

Power Case

Lockable Segregation Enclosure

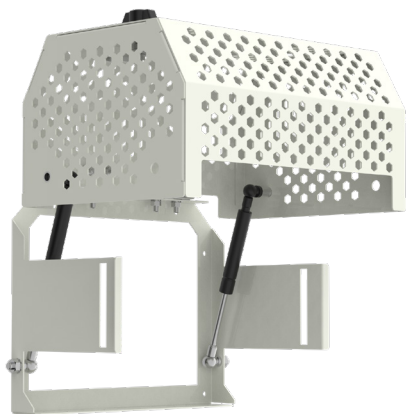

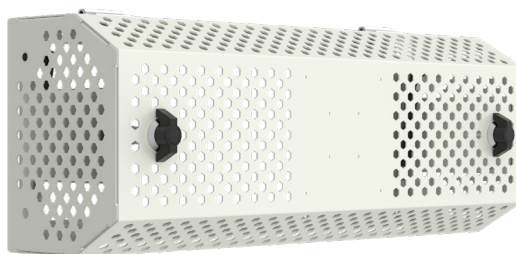

- Prevents contact with live parts, reducing the risk of electric shock.
- Segregates high voltage energised components for safer maintenance.
- Provides additional protection of energised components from physical impact.
- Compliant with industrial and mining standards
- Compatible with mounting pans on any B&R mining solutions enclosure, including Monarch IP, Universal NI, Incline SR, Finucane FI, Lambert LB, Bowen Series and Hedland PH.
- Manufactured from 1.6mm zinc coated steel
- Powder coated Pearl Gloss White
- Standard Inclusions: lockable wing knob and gas strut

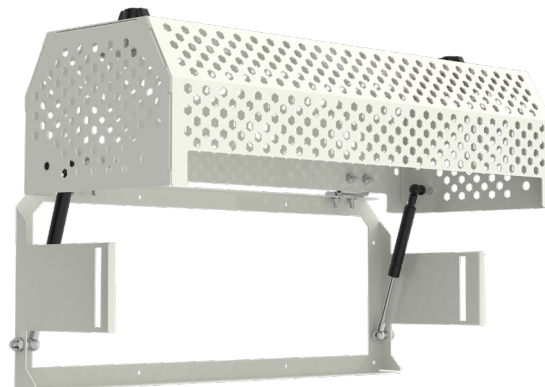

Power cases are compatible with mounting pans on Monarch IP, Universal NI, Incline SR, Finucane FI, Lambert LB, Bowen Series and Hedland PH. Contact your local sales representative to discuss your requirements.
